A Peek beneath Our Feet

These are some of the things you can find underground. Count the different things you can see.

How many rabbits are there?
How many moles are there?
How many more rabbits are there than moles?

Aboveground

KEY WORDS

- count
- difference
- how many more?

Underground

If 2 of the cars you can see leave the tunnels, how many will be left underground?

How many cars can you see on each train?

What is the difference between the 2 numbers?
