Wham!

Marcy was showing us what she would do to the ball at the game tomorrow.

“I’ll splatter it like a lemon,” she yelled.

She swung the bat. Wham! The lemon left the tree like a rocket. It shot straight up over the fence.

Mr. Lopez's head popped up. He was covered in splattered lemon.

"This is like a war zone," he said. "Get your bikes. We're going to the park. You kids need one more practice before tomorrow's big game."

Yes! We'd hoped he would say that.
