## Chapter 1

# Hot!

**I**t was summer vacation and it was hot. Really hot.

“I’m so hot my blood’s boiling,” said Roberto.

“I’m so hot my brain’s sizzling,” I said.

“Toocool, you don’t have a brain,” said Marcy.

Roberto, Marcy, Dog, and I were sitting under the lemon tree. It was the coolest place we could find.

“I wish I were at Wally’s World,” said Roberto.

“Actually, it’s Wally’s Water World,” said Marcy.

“It has three pools—and a whirlpool.”
