Chapter 1

Shark Attack!

I blew the air from my lungs. I could feel myself sinking down to the bottom. I wondered how long I could hold my breath.

I opened my eyes. The light above the water was all I could see. I started kicking.

I was trying to reach the surface. The light was getting dim. A huge shadow was blocking the sun. blocking the sun.

Was it some horrible shark from the depths of the ocean?

My head broke the surface. I took a big gulp of air.

My eyes began to focus. I looked at the giant shark.

It spoke.
