

When I Grow Up

Before Reading	During Reading	After Reading
<p>Q1: Let's look at the cover. What jobs do you see?</p> <p>A1: Possible answers: I see a doctor. I see a chef. I see a mechanic. I see a construction worker.</p> <p>Q2: Think about your neighborhood. What jobs do people have?</p> <p>A2: Possible answers: In my neighborhood, there are mail carriers, trash collectors, grocery store clerks, and bankers. I see bus drivers, gardeners, police officers, dentists, and teachers.</p>	<p>Q1: What jobs do the people have?</p> <p>A1: The jobs people have are doctor, teacher, engineer, artist, firefighter, and chef.</p> <p>Q2: How do these people help?</p> <p>A2: A doctor helps us stay healthy. A teacher helps us learn. An engineer helps us solve problems. An artist draws pictures for books. A firefighter puts out fires. A chef makes yummy food.</p>	<p>Q1: Think about the people you know. What jobs do they have?</p> <p>A1: Possible answers: My uncle is an engineer. My mom is a dentist. My neighbor is a nurse. My dad is a businessman.</p> <p>Q2: When you grow up, what could you do?</p> <p>A2: Possible answers: I could be a writer. I could be a dancer. I could fix computers.</p>

When I Grow Up

doctor

artist

firefighter

engineer

chef

teacher

When I grow up, I could be a doctor.

I could be a teacher.
