

# The Skip Count Song

Before Reading	During Reading	After Reading
<p><b>Q1:</b> This is a fun counting book to read and sing! On the cover is a hopscotch grid with numbers. Can you think of other ways kids use numbers when they play?</p> <p><b>A1:</b> Possible answers: Kids count when they play Hide and Seek. Kids count when jumping rope. Kids count when they play board games like Candyland and Snakes and Ladders.</p> <p><b>Q2:</b> Can you skip count by twos to the number 10?</p> <p><b>A2:</b> Yes, I can! 2, 4, 6, 8, 10!</p>	<p><b>Q1:</b> What other ways of skip counting can we find in the book?</p> <p><b>A1:</b> There is skip counting by fives and tens.</p> <p><b>Q2:</b> What things in the book are we counting by twos, fives, and tens?</p> <p><b>A2:</b> We are counting by twos using little animals. We are counting by fives using space aliens. We are counting by tens using little cars.</p>	<p><b>Q1:</b> Using page 8, let's point and count by ones to 100.</p> <p><b>A1:</b> OK! 1, 2, 3, 4, 5, ... 100!</p> <p><b>Q2:</b> Let's sing a verse to the song about counting by ones.</p> <p><b>A2:</b> <i>Let's count, let's count, count by ones. Let's count, let's count, count by ones. Let's count, let's count, count by ones. We can count to ____!</i></p>

# The Skip Count Song

Skip count, skip count,  
count by **twos**.

Skip count, skip count,  
count by **twos**.

Skip count, skip count,  
count by **twos**.

We can count to **twenty**!
