Stars and Stripes

In 1776, the brand-new United States of America had thirteen states.

In 1818, it had twenty states.

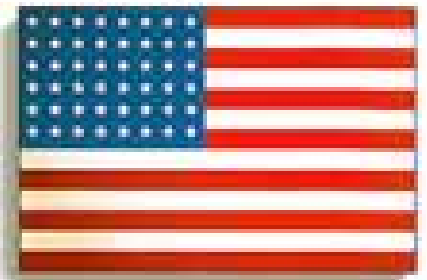

KEY

- The first 13 states, 1776
- States joined by 1818
- States joined by 1920
- States joined by 1960

In 1920, it had forty-eight states.

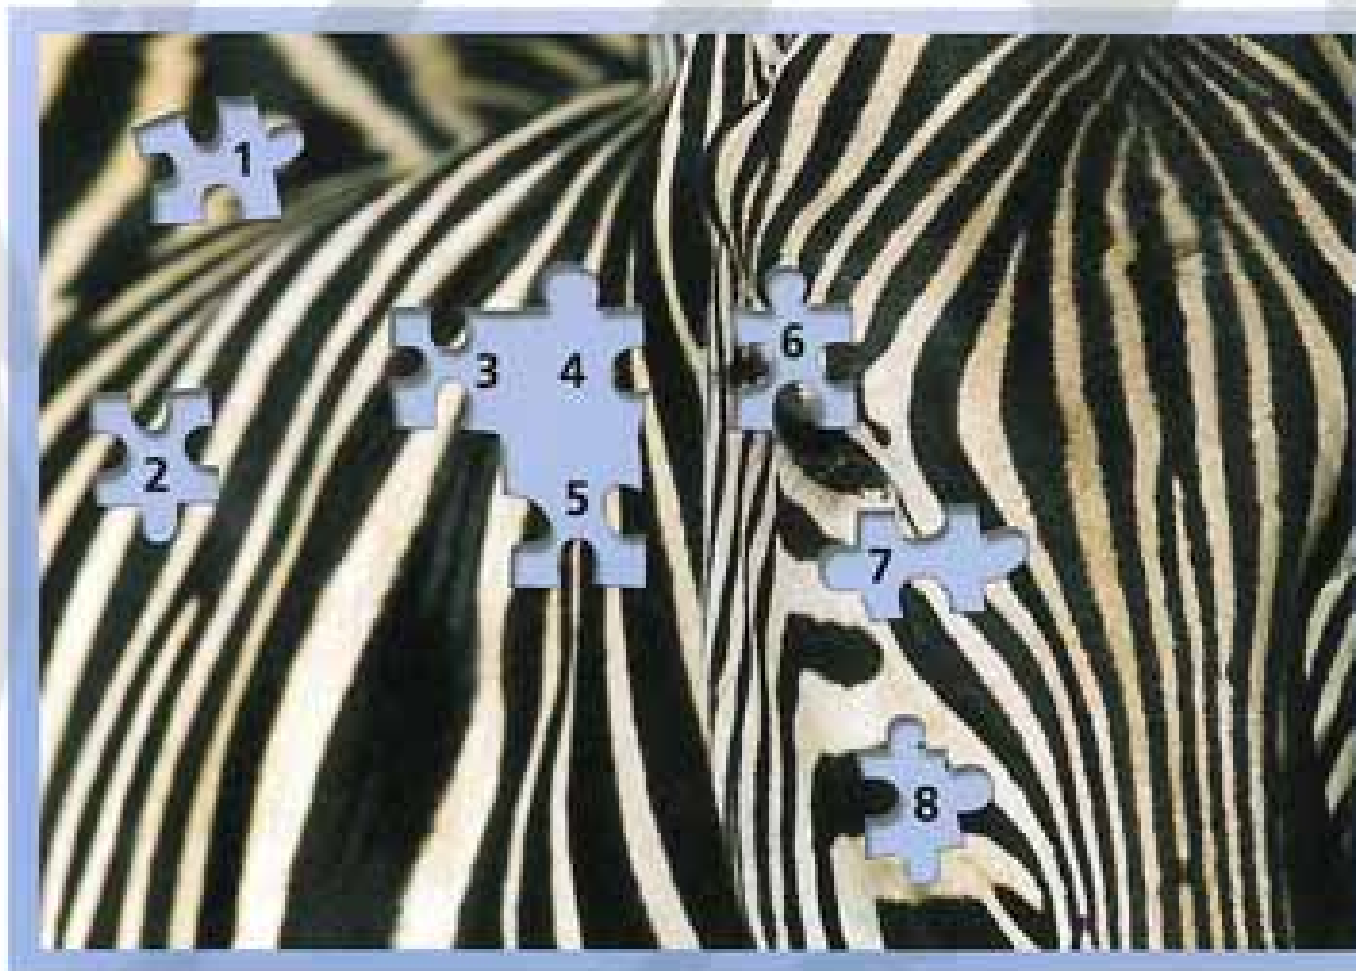

How many stars are in each flag?

How many states does it have now?
How can you tell?

The United States flag today

Zebras

Fit the last pieces into the puzzle.
