# Smiling

Look carefully  
at the photo.

**Read this sentence:**

One girl has a multi-colored bow in her hair.

We can see that this is **TRUE** by looking at the photo.

**Now read these sentences:**

1. All the children are smiling.
2. Three of the children are wearing white shirts.
3. Three girls have their hair up.
4. The smallest child is wearing an orange shirt.

Find two sentences that you know are true from looking at the photo.

The two other sentences are false – they are not true.

Don't make it up.  
Use only what you know.

## Definitions

**True:** ✓

something that is real or correct

**False:** ✗

something that is not real or is incorrect

Look at the photo.  
Are these sentences true or false?

- Four of the children have long hair.
- Four of the children are hanging upside down.

Can you think of some sentences that are true, and some that are false?
