Chapter 1

Behind the Scenes

It's the NBA championship. The final game of the series is at Madison Square Garden. I'm one game away from winning the championship. The crowd is cheering for me.

“**T**oocool! Toocool! Time to get up!” Mom called.

Rats! Another really good dream interrupted.

“Toocool! Tony! Get out of bed. If you’re late for school, Tony won’t be allowed to spend the night again,” yelled Mom.
