The Big Freeze

It was the coldest weather in history.

Dog hated the cold. It was so cold that Mom even let Dog sleep in my bedroom. This meant I didn't have to sneak him into my bedroom without her knowing.

Of course, it wasn't too cold to go to TC Park. The next morning, Roberto, Marcy, and I rushed to the park.

Mr. Lopez was already there. He was wearing a heavy coat. He was wearing so many clothes, he looked like a snowman.

"It's cold enough to freeze the ducks on a pond and use them as ducksicles," said Mr. Lopez.
